

Tuesday February 18 2025

Public Notice

Please be advised that on **Friday February 21 2025**, the operations department (District of Hope) will be conducting the flushing of the sanitary sewer main on Summer Rd throughout the day.

Please take the following precautions:

- Close the lid to all toilets.
- Place a towel over the toilet lid/bowl.
- Put something heavy on top of the toilet seat to help prevent back pressure resulting from the line flushing.

Please note that the flushing process involves the use of high-pressure water to effectively dislodge and clean the walls of the pipe to remove grease and buildup. These precautions are intended to ensure the smooth operation of the sewer maintenance and to minimize any potential disruptions.

Please direct enquiries to:

Chief Utilities Operator
